Yuval was the main name in the Arts District case.

Hello dear friend. Happy Easter to you as well. I'm in between services here at the Cathedral. Yes, Paul Solomon is business associate and BFF of Yuval Bar Zemer.

Is he OK or should Laurie need to have any concerns?

City of Los Angeles Mail - New Stakeholder

Difficult to advise without knowing more. I'm frankly surprised. I even wonder if it's the same guy. The Paul Solomon from the Arts District is a rabble rousing contrarian who fits in with the Arts community. He may have a different personality outside of Downtown.
